# MINUTES

## MINUTES OF MEETING NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the North Powerline Road Community Development District was held on Wednesday, **June 15, 2022** at 1:35 p.m. at 346 East Central Ave., Winter Haven, Florida.

Present and constituting a quorum:

Lauren Schwenk Daniel Arnette Kevin Chinoy

Also present were:

Jill Burns Roy Van Wyk *by Zoom* Marshall Tindall Heather Wertz *by Zoom*  District Manager/GMS KE Law GMS Absolute Engineering

Vice Chairperson

Assistant Secretary

Assistant Secretary

The following is a summary of the discussions and actions taken at the June 15, 2022 North Powerline Road Community Development District's Regular Board of Supervisor's Meeting.

## FIRST ORDER OF BUSINESS Roll Call

Ms. Burns called the meeting to order and called the roll. Three Board members were present in person constituting a quorum.

#### SECOND ORDER OF BUSINESS Public Comment Period

No members of the public were present via Zoom or in person.

#### **THIRD ORDER OF BUSINESS**

## Approval of Minutes of the May 18, 2022 Board of Supervisors Meeting and the May 31, 2022 Continued Meeting

Ms. Burns presented the May 18, 2022 Board of Supervisors meeting minutes and the May

31, 2022 continued meeting. She asked for any comments, corrections, or changes. The Board had no changes to the minutes.

On MOTION by Mr. Chinoy, seconded by Mr. Arnette, with all in favor, the Minutes of the May 18, 2022 Board of Supervisors Meeting and the May 31, 2022 Continued Meeting, were approved.

## FOURTH ORDER OF BUSINESS

# Consideration of Resolution 2022-13 Ratifying Series 2022 Bonds

Ms. Burns stated that this resolution was included in their package and noted that it ratifies, confirms, and approves all the actions taken by District staff and officers in connection with the closing of the Series 2022 bonds. She noted that the District closed on the Series 2022 Bonds last week on June 9<sup>th</sup>.

On MOTION by Ms. Schwenk, seconded by Mr. Chinoy, with all in favor, Resolution 2022-13 Ratifying Series 2022 Bonds, was approved.

## FIFTH ORDER OF BUSINESS

## Consideration of Amended and Restated Disclosure of Public Financing

Ms. Burns noted that this adds the most recent issuance to the disclosure and she stated that she was looking for a motion to authorize counsel to record.

On MOTION by Mr. Chinoy, seconded by Ms. Schwenk, with all in favor, Amended and Restated Disclosure of Public Financing, was approved.

## SIXTH ORDER OF BUSINESS

# Consideration of Uniform Collection Agreement with Polk County Tax Collector

Ms. Burns stated that this was the updated agreement that they sent for this year. She noted that this would allow them to continue to collect their assessments on the tax bill. She asked if anyone had any questions. Hearing none,

On MOTION by Mr. Arnette, seconded by Ms. Schwenk, with all in favor, the Uniform Collection Agreement with Polk County Tax Collector, was approved.

### SEVENTH ORDER OF BUSINESS

## Review and Ranking of Proposals Received for South Phase RFP

Ms. Burns turned this presentation over to Ms. Wertz. Ms. Wertz stated that they had good response with six total bidders. She noted that the spread on the numbers were close and that the substantial completion days ranged from 304 to 350, which was also close. She stated that for the opening price the low bidder was Kearney, but they were second in time. She stated that Wal-Rose was a day sooner than Kearney. She noted that they reviewed the bids, sent clarification questions out to the bidders, received everything back and then adjusted those bids. She referred to the ranking results on of 41 of the PDF of the agenda. She noted that it came down to the price and the schedule, which led to Kearney winning with 99.9 out of 100 points. She noted that they were ranked number one in the cost which totaled \$6,354,183.37. She concluded her presentation of the ranking results and asked if there were any questions from the Board. Mr. Van Wyk asked if all the bids were responsive to the RFP and if all the bidders were qualified to do this type of work. Ms. Wertz responded yes.

On MOTION by Mr. Chinoy, seconded by Mr. Arnette, with all in favor, Accepting the Rankings as Outlined, Ranking Kearney #1, and Authorizing Staff to Send a Notice of Intent to Award to Kearney, was approved.

### EIGHTH ORDER OF BUSINESS

## **Staff Reports**

#### A. Attorney

Mr. Van Wyk stated he had nothing further to report.

### **B.** Engineer

There being none, the next item followed.

## C. Field Manager's Report

Mr. Tindall presented the field manager's report to the Board. He stated that the shades and the playground had been installed at the amenity. He stated that there were minor damages done to the irrigation and the repairs had been coordinated. He stated that they would do the final assessment once the swings, etc. were installed. He stated that the other issue was some grading behind Tract C2 and that they were working to get this addressed. He referred to the map on page 49 of the agenda stating that they were looking at the south side because it was drier. He stated

that they did the liability posting with warning signs based on the insurance adjuster's recommendations on the entry gate. The fountain was serviced at no charge. He stated that he got a proposal from the pond vendor about the maintenance. He suggested to do an NTE. He noted that the concern was if there was a warranty on the existing fountain that was installed. He stated that it could be voided. He spoke with those that did the installation, Trey and Stewart, and they stated that there shouldn't be any issues, but that they were going to make sure there were no other problems that might arise before they finalize the contract. He stated that they would need \$150 per month. Ms. Burns asked if that was with the existing aquatics vendor. She stated that it would be most cost effective to use the existing vendor because they were onsite anyway doing the aquatics contract.

On MOTION by Ms. Schwenk, seconded by Mr. Arnette, with all in favor, Authorizing \$150 Per Month for the Fountain Maintenance, was approved.

Ms. Schwenk asked if the landscape contractors were handling all the common areas in Phase 1 and 2. Mr. Tindall responded yes and that the only thing they didn't do was the irrigation repairs, but that they were supposed to come to do the repair. He stated that they were trying very hard to get access in the back of Tract C2. He explained that there was a utility box in the way of the only access that they had. He noted that they would go and establish their safe access so that they don't have the same issues that they have had at the other Districts. He stated that he would make sure that the backside was stable and sodded so that they wouldn't have any other issues going forward. Ms. Burns asked if that would be their access point. Mr. Tindall responded yes. He stated that the last thing that he was reporting was that the palm trees had started. Ms. Schwenk mentioned mowing in some common areas and southern entry on north boulevard. Mr. Tindall stated that there was a new monument that just came in that had not been tied in and that there was a fence running along that Phase 2. He stated that he would give the landscaper a briefing to make sure that they know exactly what was needed. Ms. Schwenk suggested that they needed to clean this area up quickly. It was suggested to do a one-time mow. Mr. Tindall stated that he would make sure it was one-time, but he also stated that Trey and Stewart were going to come in and do the landscaping at the new monument too.

# D. District Manager's Report

# i. Approval of Check Register

Ms. Burns stated that the check register was included in the Board's package. She offered to answer any questions the Board had. The stated that the total was \$30,354.50 through June 8<sup>th</sup>.

On MOTION by Ms. Schwenk, seconded by Mr. Chinoy, with all in favor, the Check Register, was approved.

# ii. Balance Sheet and Income Statement

Ms. Burns stated that the financials through May 31, 2022 were included in the agenda packet and no action was needed.

# iii. Reminder to Board to File Form 1's with the Supervisor of Elections in the County that they reside by the July 1, 2022 Deadline (by mail or e-mail)

Ms. Burns stated that they should have received the Form 1 from the Supervisor of Elections in the county that they live. She noted that if they had not received them to let her know so she could get them the form. The deadline is July 1, 2022.

# NINTH ORDER OF BUSINESS Other Business

There being none, the next item followed.

TENTH ORDER OF BUSINESS Supervisors Requests and Audience Comments

There being none, the next item followed.

# ELEVENTH ORDER OF BUSINESS Adjournment

Ms. Burns asked for a motion to adjourn the meeting.

On MOTION by Ms. Schwenk, seconded by Mr. Arnette, with all in favor, the meeting was adjourned.

### **RESOLUTION 2022-14**

## THE ANNUAL APPROPRIATION RESOLUTION OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT ("DISTRICT") RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2022, AND ENDING SEPTEMBER 30, 2023; AUTHORIZING BUDGET AMENDMENTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the District Manager has, prior to the fifteenth (15<sup>th</sup>) day in June, 2022, submitted to the Board of Supervisors ("**Board**") of the North Powerline Road Community Development District ("**District**") proposed budget ("**Proposed Budget**") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("Fiscal Year 2022/2023") along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budget, the District filed a copy of the Proposed Budget with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), *Florida Statutes*; and

**WHEREAS**, the Board set a public hearing thereon and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), *Florida Statutes*; and

**WHEREAS**, the District Manager posted the Proposed Budget on the District's website at least two (2) days before the public hearing; and

**WHEREAS,** Section 190.008(2)(a), *Florida Statutes*, requires that, prior to October 1<sup>st</sup> of each year, the Board, by passage of the Annual Appropriation Resolution, shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

WHEREAS, the District Manager has prepared a Proposed Budget, whereby the budget shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year.

## NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT:

#### **SECTION 1. BUDGET**

a. The Board has reviewed the Proposed Budget, a copy of which is on file with the office of the District Manager and at the District's Local Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.

- b. The Proposed Budget, attached hereto as **Exhibit "A,"** as amended by the Board, is hereby adopted in accordance with the provisions of Section 190.008(2)(a), *Florida Statutes* (**"Adopted Budget"**), and incorporated herein by reference; provided, however, that the comparative figures contained in the Adopted Budget may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures.
- c. The Adopted Budget, as amended, shall be maintained in the office of the District Manager and at the District's Local Records Office and identified as "The Budget for the North Powerline Road Community Development District for the Fiscal Year Ending September 30, 2023."
- d. The Adopted Budget shall be posted by the District Manager on the District's official website within thirty (30) days after adoption, and shall remain on the website for at least two (2) years.

## **SECTION 2. APPROPRIATIONS**

There is hereby appropriated out of the revenues of the District, for Fiscal Year 2022/2023, the sum of \$\_\_\_\_\_\_\_ to be raised to be raised pursuant to a developer funding agreement, levy of assessments, or otherwise, which sum is deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND	\$
DEBT SERVICE FUND (SERIES 2020)	\$
DEBT SERVICE FUND (SERIES 2022)	\$
TOTAL ALL FUNDS	\$

## **SECTION 3. BUDGET AMENDMENTS**

Pursuant to Section 189.016, *Florida Statutes*, the District at any time within Fiscal Year 2022/2023 or within 60 days following the end of the Fiscal Year 2022/2023 may amend its Adopted Budget for that fiscal year as follows:

- a. A line-item appropriation for expenditures within a fund may be decreased or increased by motion of the Board recorded in the minutes, and approving the expenditure, if the total appropriations of the fund do not increase.
- b. The District Manager or Treasurer may approve an expenditure that would increase or decrease a line-item appropriation for expenditures within a fund if the total

appropriations of the fund do not increase and if either (i) the aggregate change in the original appropriation item does not exceed the greater of \$15,000 or 15% of the original appropriation, or (ii) such expenditure is authorized by separate disbursement or spending resolution.

c. Any other budget amendments shall be adopted by resolution and consistent with Florida law.

The District Manager or Treasurer must ensure that any amendments to the budget under paragraph c. above are posted on the District's website within five (5) days after adoption and remain on the website for at least two (2) years.

**SECTION 4. EFFECTIVE DATE.** This Resolution shall take effect immediately upon adoption.

## PASSED AND ADOPTED THIS 17TH DAY OF AUGUST, 2022.

#### **Revenues:**

#### <u>Assessments</u>

The District will levy a non-ad valorem assessment on all the assessable property within the District in order to pay for operating expenditures during the fiscal year.

#### **Developer Contributions**

The District will enter into a funding agreement with the Developer to fund the General Fund expenditures relating to Phase 5 & 6 for the Fiscal Year.

#### **Expenditures:**

#### General & Administrative:

#### Supervisor Fees

Chapter 190, Florida Statutes, allows for each Board member to receive \$200 per meeting, not to exceed \$4,800 per year paid to each Supervisor for the time devoted to District business and meetings.

#### <u>Engineering</u>

The District's engineer will be providing general engineering services to the District, e.g. attendance and preparation for monthly board meetings, review invoices and various projects as directed by the Board of Supervisors and the District Manager.

#### <u>Attorney</u>

The District's legal counsel, KE Law PLLC, will be providing general legal services to the District, e.g. attendance and preparation for meetings, preparation and review of agreements, resolutions, etc. as directed by the Board of Supervisors and the District Manager.

#### <u>Annual Audit</u>

The District is required by Florida Statutes to arrange for an independent audit of its financial records on an annual basis. The District has contracted Grau & Associates.

#### Assessment Administration

The District will contract to levy and administer the collection of non-ad valorem assessment on all assessable property within the District. The District has contracted with Governmental Management Services – Central Florida LLC.

#### <u>Arbitrage</u>

The District will contract with an independent certified public accountant to annually calculate the District's Arbitrage Rebate Liability on its Series 2020 bonds and two other anticipated bond issuances.

#### **Dissemination**

The District is required by the Security and Exchange Commission to comply with Rule 15c2-12(b)(5) which relates to additional reporting requirements for unrated bond issues. This cost is based upon the Series 2020 bonds and two other anticipated bond issuances. The District is contracted with Governmental Management Services – Central Florida LLC.

#### <u>Trustee Fees</u>

The District will incur trustee related costs with the issuance of its issued bonds with US Bank.

#### Management Fees

The District receives Management, Accounting and Administrative services as part of a Management Agreement with Governmental Management Services-Central Florida, LLC. The services include but are not limited to, recording and transcription of board meetings, administrative services, budget preparation, all financial reports, annual audits, etc.

#### Information Technology

Represents costs with Governmental Management Services – Central Florida LLC related to the District's information systems, which include but are not limited to video conferencing services, cloud storage services and servers, security, accounting software, etc.

#### Website Maintenance

Represents the costs with Governmental Management Services – Central Florida LLC associated with monitoring and maintaining the District's website created in accordance with Chapter 189, Florida Statutes. These services include site performance assessments, security and firewall maintenance, updates, document uploads, hosting and domain renewals, website backups, etc.

#### **Telephone**

Telephone and fax machine.

#### Postage & Delivery

The District incurs charges for mailing of Board meeting agenda packages, overnight deliveries, correspondence, etc.

#### <u>Insurance</u>

The District's general liability and public official's liability insurance coverages with EGIS Insurance Advisors.

#### <u>Copies</u>

Printing and binding agenda packages for board meetings, printing of computerized checks, stationary, envelopes, etc.

#### Legal Advertising

The District is required to advertise various notices for monthly Board meetings, public hearings, etc. in a newspaper of general circulation.

#### **Other Current Charges**

Bank charges and any other miscellaneous expenses incurred during the year.

#### **Office Supplies**

Any supplies that may need to be purchased during the fiscal year, e.g., paper, minute books, file folders, labels, paper clips, etc.

#### Travel Per Diem

The Board of Supervisors can be reimbursed for travel expenditures related to the conducting of District business.

#### Dues, Licenses & Subscriptions

The District is required to pay an annual fee to the Florida Department of Economic Opportunity for \$175. This is the only expense under this category for the District.

#### **Operations & Maintenance:**

#### **Field Expenditures**

#### Property Insurance

The District's property insurance coverages.

#### Field Management

Represents the costs of contracting services with Governmental Management Services – Central Florida LLC to provide onsite field management of contracts for the District such as landscape and lake maintenance. Services can include onsite inspections, meetings with contractors, monitoring of utility accounts, attend Board meetings and receive and respond to property owner phone calls and emails.

#### Landscape Maintenance

Represents the maintenance of the landscaping within the common areas of the District after the installation of landscape material has been completed. The District has contracted with Prince & Sons, Inc. to provide these services.

#### Landscape Replacement

Represents the estimated cost of replacing landscaping within the common areas of the District.

#### <u>Lake Maintenance</u>

Represents the cost of contracting aquatic weed control services that maintain the lakes located within the District. The District is contracted with Aquagenix for this service.

#### <u>Streetlights</u>

Represents the cost to maintain street lights within the District Boundaries that are expected to be in place throughout the fiscal year.

#### <u>Electric</u>

Represents current and estimated electric charges of common areas throughout the District.

#### Water & Sewer

Represents current and estimated costs for water and refuse services provided for common areas throughout the District.

#### Sidewalk & Asphalt Maintenance

Represents the estimated costs of maintaining the sidewalks and asphalt throughout the District's Boundary.

#### Irrigation Repairs

Represents the cost of maintaining and repairing the irrigation system. This includes the sprinklers, and irrigation wells.

#### General Repairs & Maintenance

Represents estimated costs for general repairs and maintenance of the District's common areas.

#### <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any field category.

#### **Amenity Expenditures**

#### <u> Amenity - Electric</u>

Represents estimated electric charges for the District's amenity facilities.

#### <u> Amenity – Water</u>

Represents estimated water charges for the District's amenity facilities.

#### Playground Lease

The District has entered into a leasing agreement for playgrounds installed in the community.

#### <u>Internet</u>

Internet service for use at the Amenity Center.

#### <u>Pest Control</u>

The District will incur costs for pest control treatments to its amenity facilities.

#### <u>Janitorial Services</u>

Represents estimated costs to provide janitorial services and supplies for the District's amenity facilities.

#### <u>Security Services</u>

Represents the estimated cost of contracting a monthly security service for the District's amenity facilities.

#### <u>Pool Maintenance</u>

Represents estimated costs of regular cleaning and treatments of the District's pool contracted with Resort Pool Services.

#### Amenity Access Management

Represents the cost of managing and monitoring access to the District's amenity facilities with services from Governmental Management Services – Central Florida LLC.

#### Amenity Repairs & Maintenance

Represents estimated costs for repairs and maintenance of the District's amenity facilities.

#### <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any amenity category.

#### **Other Expenses:**

#### Capital Reserves

Funds collected and reserved for the replacement of and/or purchase of new capital improvements throughout the District.

# SECTION 2

## NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT FISCAL YEAR 2022/2023 FUNDING AGREEMENT

This agreement ("Agreement") is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2022, by and between:

North Powerline Road Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in Polk County, Florida (hereinafter "District"), and

**GLK Real Estate, LLC**, a Florida limited liability company, a landowner of certain lands within the District, with a mailing address of 346 East Central Avenue, Winter Haven, Florida 33880, and its successors and assigns ("Landowner", and together with the District, the "Parties").

### RECITALS

WHEREAS, the District was established by an ordinance adopted by the Board of Commissioners for Polk County, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, the Developer presently owns and/or is developing the majority of all real property described in Exhibit A, attached hereto and incorporated herein ("Property"), within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("Fiscal Year 2022/2023 Budget"); and

WHEREAS, this Fiscal Year 2022/2023 Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit B**; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all land, including the Property, that will benefit from the activities, operations and services set forth in the Fiscal Year 2022/2023 Budget, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property in the full amount necessary to fund the Fiscal Year 2022/2023 Budget, the Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in **Exhibit B**; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on Exhibit B to the Property; and

WHEREAS, the Developer has agreed to enter into this Agreement in lieu of having the District levy and collect the full amount of non-ad valorem assessments to fund the Fiscal Year 2022/2023 Budget as authorized by law against the Property located within the District for the activities, operations and services set forth in **Exhibit B**; and

WHEREAS, the Developer and the District desire to secure such budget funding through the imposition of a continuing lien against the Property described in Exhibit A and otherwise as provided herein.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **RECITALS**. The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

2. FUNDING. The Developer agrees to make available to the District the monies necessary for the operation of the District as called for in the budget attached hereto as Exhibit B, as may be amended from time to time in the District's sole discretion, within fifteen (15) days of written request by the District. Amendments to the Fiscal Year 2022/2023 Budget as shown on Exhibit B adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect the District's ability to levy special assessments upon the property within the District, including any property owned by Developer, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's Budget or otherwise. These payments are made by the Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District.

3. **CONTINUING LIEN.** District shall have the right to file a continuing lien upon the Property described in **Exhibit A** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the date and time of the recording of a "Notice of Lien for Fiscal Year 2022/2023 Budget" in the public records of Polk County, Florida (**"County"**), stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for Fiscal Year 2022/2023 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the lien against the Property in any manner authorized by law. The District may partially release any filed lien for portions of the Property subject to a plat if and when the Developer has demonstrated, in the District's sole discretion, that such release will not materially impair the ability of the District to enforce the collection of funds hereunder. In the event the Developer sells any of the Property described in **Exhibit A** after the execution of this Agreement, the Developer's rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a lien upon the remaining Property owned by the Developer.

4. **ALTERNATIVE COLLECTION METHODS.** In the event the Developer fails to make payments due to the District pursuant to this Agreement, and the District first provides Developer with written notice of the delinquency to the address identified in this Agreement and such delinquency is not cured within five (5) business days of the notice, then the District shall have the following remedies:

a. In the alternative or in addition to the collection method set forth in Paragraph 2 above, the District may enforce the collection of funds due under this Agreement by action against the Developer in the appropriate judicial forum in and for the County. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

b. The District hereby finds that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. The Developer agrees that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property equal to or in excess of the costs set forth in **Exhibit B**, on an equal developable acreage basis. Therefore, in the alternative or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197, Florida Statutes, or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the County property appraiser. The Developer hereby waives and/or relinquishes any rights it may have to challenge, object to or otherwise fail to pay such assessments if imposed, as well as the means of collection thereof.

5. **AGREEMENT; AMENDMENTS.** This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

6. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

7. **ASSIGNMENT.** This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld.

8. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described herein in Paragraphs 2 and 3 above.

9. THIRD PARTY RIGHTS; TRANSFER OF PROPERTY. This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. In the event the Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to improvements, work product, or lands within the District, the Developer shall continue to be bound by the terms of this Agreement and additionally shall expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then-unfunded portion of the Fiscal Year 2022/2023 Budget to fund any budgeted expenses that may arise during the remainder of the fiscal year. Upon confirmation of the deposit of said funds into escrow, and evidence of an assignment to, and assumption by the purchaser, of this Agreement, Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated. The Developer shall give 90 days' prior written notice to the District under this Agreement of any such sale or disposition.

10. **FLORIDA LAW GOVERNS.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida.

11. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

12. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

13. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and

acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

14. **EFFECTIVE DATE.** The Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

**IN WITNESS WHEREOF,** the parties execute this Agreement the day and year first written above.

## **Revenues:**

#### <u>Assessments</u>

The District will levy a non-ad valorem assessment on all the assessable property within the District in order to pay for operating expenditures during the fiscal year.

#### **Developer Contributions**

The District will enter into a funding agreement with the Developer to fund the General Fund expenditures relating to Phase 5 & 6 for the Fiscal Year.

## **Expenditures:**

#### General & Administrative:

#### Supervisor Fees

Chapter 190, Florida Statutes, allows for each Board member to receive \$200 per meeting, not to exceed \$4,800 per year paid to each Supervisor for the time devoted to District business and meetings.

#### <u>Engineering</u>

The District's engineer will be providing general engineering services to the District, e.g. attendance and preparation for monthly board meetings, review invoices and various projects as directed by the Board of Supervisors and the District Manager.

#### <u>Attorney</u>

The District's legal counsel, KE Law PLLC, will be providing general legal services to the District, e.g. attendance and preparation for meetings, preparation and review of agreements, resolutions, etc. as directed by the Board of Supervisors and the District Manager.

#### <u>Annual Audit</u>

The District is required by Florida Statutes to arrange for an independent audit of its financial records on an annual basis. The District has contracted Grau & Associates.

#### Assessment Administration

The District will contract to levy and administer the collection of non-ad valorem assessment on all assessable property within the District. The District has contracted with Governmental Management Services – Central Florida LLC.

#### <u>Arbitrage</u>

The District will contract with an independent certified public accountant to annually calculate the District's Arbitrage Rebate Liability on its Series 2020 bonds and two other anticipated bond issuances.

## **Dissemination**

The District is required by the Security and Exchange Commission to comply with Rule 15c2-12(b)(5) which relates to additional reporting requirements for unrated bond issues. This cost is based upon the Series 2020 bonds and two other anticipated bond issuances. The District is contracted with Governmental Management Services – Central Florida LLC.

#### <u>Trustee Fees</u>

The District will incur trustee related costs with the issuance of its issued bonds with US Bank.

#### Management Fees

The District receives Management, Accounting and Administrative services as part of a Management Agreement with Governmental Management Services-Central Florida, LLC. The services include but are not limited to, recording and transcription of board meetings, administrative services, budget preparation, all financial reports, annual audits, etc.

#### Information Technology

Represents costs with Governmental Management Services – Central Florida LLC related to the District's information systems, which include but are not limited to video conferencing services, cloud storage services and servers, security, accounting software, etc.

#### Website Maintenance

Represents the costs with Governmental Management Services – Central Florida LLC associated with monitoring and maintaining the District's website created in accordance with Chapter 189, Florida Statutes. These services include site performance assessments, security and firewall maintenance, updates, document uploads, hosting and domain renewals, website backups, etc.

## **Telephone**

Telephone and fax machine.

## Postage & Delivery

The District incurs charges for mailing of Board meeting agenda packages, overnight deliveries, correspondence, etc.

#### <u>Insurance</u>

The District's general liability and public official's liability insurance coverages with EGIS Insurance Advisors.

#### <u>Copies</u>

Printing and binding agenda packages for board meetings, printing of computerized checks, stationary, envelopes, etc.

## Legal Advertising

The District is required to advertise various notices for monthly Board meetings, public hearings, etc. in a newspaper of general circulation.

## **Other Current Charges**

Bank charges and any other miscellaneous expenses incurred during the year.

## **Office Supplies**

Any supplies that may need to be purchased during the fiscal year, e.g., paper, minute books, file folders, labels, paper clips, etc.

## Travel Per Diem

The Board of Supervisors can be reimbursed for travel expenditures related to the conducting of District business.

## Dues, Licenses & Subscriptions

The District is required to pay an annual fee to the Florida Department of Economic Opportunity for \$175. This is the only expense under this category for the District.

## **Operations & Maintenance:**

## **Field Expenditures**

## Property Insurance

The District's property insurance coverages.

#### Field Management

Represents the costs of contracting services with Governmental Management Services – Central Florida LLC to provide onsite field management of contracts for the District such as landscape and lake maintenance. Services can include onsite inspections, meetings with contractors, monitoring of utility accounts, attend Board meetings and receive and respond to property owner phone calls and emails.

#### Landscape Maintenance

Represents the maintenance of the landscaping within the common areas of the District after the installation of landscape material has been completed. The District has contracted with Prince & Sons, Inc. to provide these services.

## Landscape Replacement

Represents the estimated cost of replacing landscaping within the common areas of the District.

## <u>Lake Maintenance</u>

Represents the cost of contracting aquatic weed control services that maintain the lakes located within the District. The District is contracted with Aquagenix for this service.

## <u>Streetlights</u>

Represents the cost to maintain street lights within the District Boundaries that are expected to be in place throughout the fiscal year.

## <u>Electric</u>

Represents current and estimated electric charges of common areas throughout the District.

## Water & Sewer

Represents current and estimated costs for water and refuse services provided for common areas throughout the District.

## Sidewalk & Asphalt Maintenance

Represents the estimated costs of maintaining the sidewalks and asphalt throughout the District's Boundary.

## Irrigation Repairs

Represents the cost of maintaining and repairing the irrigation system. This includes the sprinklers, and irrigation wells.

## General Repairs & Maintenance

Represents estimated costs for general repairs and maintenance of the District's common areas.

## <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any field category.

## **Amenity Expenditures**

## <u> Amenity - Electric</u>

Represents estimated electric charges for the District's amenity facilities.

## <u> Amenity – Water</u>

Represents estimated water charges for the District's amenity facilities.

## Playground Lease

The District has entered into a leasing agreement for playgrounds installed in the community.

## <u>Internet</u>

Internet service for use at the Amenity Center.

## <u>Pest Control</u>

The District will incur costs for pest control treatments to its amenity facilities.

## <u>Janitorial Services</u>

Represents estimated costs to provide janitorial services and supplies for the District's amenity facilities.

## <u>Security Services</u>

Represents the estimated cost of contracting a monthly security service for the District's amenity facilities.

## <u>Pool Maintenance</u>

Represents estimated costs of regular cleaning and treatments of the District's pool contracted with Resort Pool Services.

## Amenity Access Management

Represents the cost of managing and monitoring access to the District's amenity facilities with services from Governmental Management Services – Central Florida LLC.

## Amenity Repairs & Maintenance

Represents estimated costs for repairs and maintenance of the District's amenity facilities.

## <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any amenity category.

## **Other Expenses:**

#### Capital Reserves

Funds collected and reserved for the replacement of and/or purchase of new capital improvements throughout the District.

## **Community Development District**

## **RESOLUTION 2022-15**

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT CONFIRMING A PRIOR DETERMINATION OF BENEFIT AND PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF DEBT SERVICE SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the North Powerline Road Community Development District ("District") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, certain infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Polk County, Florida ("County"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("Fiscal Year 2022/2023"), the Board of Supervisors ("Board") of the District has adopted its budgets, including its operations and maintenance budget and debt service budgets (together, "Adopted Budget") attached hereto as Exhibit "A"; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

**WHEREAS,** the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

**WHEREAS,** the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2022/2023; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which special assessments may be placed on the tax roll and collected by the local tax collector ("**Uniform Method**"), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the assessment roll ("Assessment Roll") attached hereto as Exhibit "B," and, to the extent that the District determines it is in its best interest to use the Uniform Method for collection of any assessments, to certify the portion of the Assessment Roll related to certain developed property ("Tax Roll Property") to the County Tax Collector pursuant to the Uniform Method and to directly collect the portion of the Assessment Roll relating to the remaining property ("Direct Collect Property"), all as set forth in Exhibit "B;" and

**WHEREAS,** it is in the best interests of the District to permit the District Manager to amend the Assessment Roll adopted herein, including any portion certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

## NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT:

**SECTION 1. BENEFIT & ALLOCATION FINDINGS.** The provision of the services, facilities, and operations as described in **Exhibit "A"** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibits "A" and "B**," and is hereby found to be fair and reasonable.

**SECTION 2.** ASSESSMENT IMPOSITION. Pursuant to Chapters 170, 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

## SECTION 2. COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.

- A. Tax Roll Assessments. The operations and maintenance special assessments and previously levied debt service special assessments imposed on the Tax Roll Property shall be collected at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in Exhibits "A" and "B."
- B. Direct Bill Assessments. The operations and maintenance special assessments and previously levied debt service special assessments imposed on the Direct Collect

Property shall be collected directly by the District in accordance with Florida law, as set forth in Exhibits "A" and "B." Assessments directly collected by the District are due in full on December 1, 2022; provided, however, that, to the extent permitted by law, the assessments due may be paid in several partial, deferred payments and according to the following schedule: 25% due no later than October 1, 2022, 25% due no later than December 1, 2022, 25% due no later than February 1, 2023 and 25% due no later than May 1, 2023. In the event that an assessment payment is not made in accordance with the schedule stated above, the whole assessment - including any remaining partial, deferred payments for Fiscal Year 2022/2023, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the assessments, or at the statutory prejudgment interest rate, as applicable. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170, Florida Statutes, or other applicable law to collect and enforce the whole assessment, as set forth herein.

C. Future Collection Methods. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

**SECTION 3.** ASSESSMENT ROLL. The Assessment Roll, attached to this Resolution as **Exhibit "B,"** is hereby certified for collection. That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.

**SECTION 4.** ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

**SECTION 5. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**SECTION 6. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

## **PASSED AND ADOPTED** this 17th day of August, 2022.

## **Revenues:**

#### <u>Assessments</u>

The District will levy a non-ad valorem assessment on all the assessable property within the District in order to pay for operating expenditures during the fiscal year.

#### **Developer Contributions**

The District will enter into a funding agreement with the Developer to fund the General Fund expenditures relating to Phase 5 & 6 for the Fiscal Year.

## **Expenditures:**

#### General & Administrative:

#### Supervisor Fees

Chapter 190, Florida Statutes, allows for each Board member to receive \$200 per meeting, not to exceed \$4,800 per year paid to each Supervisor for the time devoted to District business and meetings.

#### <u>Engineering</u>

The District's engineer will be providing general engineering services to the District, e.g. attendance and preparation for monthly board meetings, review invoices and various projects as directed by the Board of Supervisors and the District Manager.

#### <u>Attorney</u>

The District's legal counsel, KE Law PLLC, will be providing general legal services to the District, e.g. attendance and preparation for meetings, preparation and review of agreements, resolutions, etc. as directed by the Board of Supervisors and the District Manager.

#### <u>Annual Audit</u>

The District is required by Florida Statutes to arrange for an independent audit of its financial records on an annual basis. The District has contracted Grau & Associates.

#### Assessment Administration

The District will contract to levy and administer the collection of non-ad valorem assessment on all assessable property within the District. The District has contracted with Governmental Management Services – Central Florida LLC.

#### <u>Arbitrage</u>

The District will contract with an independent certified public accountant to annually calculate the District's Arbitrage Rebate Liability on its Series 2020 bonds and two other anticipated bond issuances.

## **Dissemination**

The District is required by the Security and Exchange Commission to comply with Rule 15c2-12(b)(5) which relates to additional reporting requirements for unrated bond issues. This cost is based upon the Series 2020 bonds and two other anticipated bond issuances. The District is contracted with Governmental Management Services – Central Florida LLC.

#### <u>Trustee Fees</u>

The District will incur trustee related costs with the issuance of its issued bonds with US Bank.

#### Management Fees

The District receives Management, Accounting and Administrative services as part of a Management Agreement with Governmental Management Services-Central Florida, LLC. The services include but are not limited to, recording and transcription of board meetings, administrative services, budget preparation, all financial reports, annual audits, etc.

#### Information Technology

Represents costs with Governmental Management Services – Central Florida LLC related to the District's information systems, which include but are not limited to video conferencing services, cloud storage services and servers, security, accounting software, etc.

#### Website Maintenance

Represents the costs with Governmental Management Services – Central Florida LLC associated with monitoring and maintaining the District's website created in accordance with Chapter 189, Florida Statutes. These services include site performance assessments, security and firewall maintenance, updates, document uploads, hosting and domain renewals, website backups, etc.

## **Telephone**

Telephone and fax machine.

## Postage & Delivery

The District incurs charges for mailing of Board meeting agenda packages, overnight deliveries, correspondence, etc.

#### <u>Insurance</u>

The District's general liability and public official's liability insurance coverages with EGIS Insurance Advisors.

#### <u>Copies</u>

Printing and binding agenda packages for board meetings, printing of computerized checks, stationary, envelopes, etc.

## Legal Advertising

The District is required to advertise various notices for monthly Board meetings, public hearings, etc. in a newspaper of general circulation.

## **Other Current Charges**

Bank charges and any other miscellaneous expenses incurred during the year.

## **Office Supplies**

Any supplies that may need to be purchased during the fiscal year, e.g., paper, minute books, file folders, labels, paper clips, etc.

## Travel Per Diem

The Board of Supervisors can be reimbursed for travel expenditures related to the conducting of District business.

## Dues, Licenses & Subscriptions

The District is required to pay an annual fee to the Florida Department of Economic Opportunity for \$175. This is the only expense under this category for the District.

## **Operations & Maintenance:**

## **Field Expenditures**

## Property Insurance

The District's property insurance coverages.

#### Field Management

Represents the costs of contracting services with Governmental Management Services – Central Florida LLC to provide onsite field management of contracts for the District such as landscape and lake maintenance. Services can include onsite inspections, meetings with contractors, monitoring of utility accounts, attend Board meetings and receive and respond to property owner phone calls and emails.

#### Landscape Maintenance

Represents the maintenance of the landscaping within the common areas of the District after the installation of landscape material has been completed. The District has contracted with Prince & Sons, Inc. to provide these services.

## Landscape Replacement

Represents the estimated cost of replacing landscaping within the common areas of the District.

## <u>Lake Maintenance</u>

Represents the cost of contracting aquatic weed control services that maintain the lakes located within the District. The District is contracted with Aquagenix for this service.

## <u>Streetlights</u>

Represents the cost to maintain street lights within the District Boundaries that are expected to be in place throughout the fiscal year.

## <u>Electric</u>

Represents current and estimated electric charges of common areas throughout the District.

## Water & Sewer

Represents current and estimated costs for water and refuse services provided for common areas throughout the District.

## Sidewalk & Asphalt Maintenance

Represents the estimated costs of maintaining the sidewalks and asphalt throughout the District's Boundary.

## Irrigation Repairs

Represents the cost of maintaining and repairing the irrigation system. This includes the sprinklers, and irrigation wells.

## General Repairs & Maintenance

Represents estimated costs for general repairs and maintenance of the District's common areas.

## <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any field category.

## **Amenity Expenditures**

## <u> Amenity - Electric</u>

Represents estimated electric charges for the District's amenity facilities.

## <u> Amenity – Water</u>

Represents estimated water charges for the District's amenity facilities.

## Playground Lease

The District has entered into a leasing agreement for playgrounds installed in the community.

## <u>Internet</u>

Internet service for use at the Amenity Center.

## <u>Pest Control</u>

The District will incur costs for pest control treatments to its amenity facilities.

## <u>Janitorial Services</u>

Represents estimated costs to provide janitorial services and supplies for the District's amenity facilities.

## <u>Security Services</u>

Represents the estimated cost of contracting a monthly security service for the District's amenity facilities.

## <u>Pool Maintenance</u>

Represents estimated costs of regular cleaning and treatments of the District's pool contracted with Resort Pool Services.

## Amenity Access Management

Represents the cost of managing and monitoring access to the District's amenity facilities with services from Governmental Management Services – Central Florida LLC.

## Amenity Repairs & Maintenance

Represents estimated costs for repairs and maintenance of the District's amenity facilities.

## <u>Contingency</u>

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any amenity category.

## **Other Expenses:**

#### Capital Reserves

Funds collected and reserved for the replacement of and/or purchase of new capital improvements throughout the District.

## **Community Development District**

# **RESOLUTION 2022-16**

# A RESOLUTION OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT DESIGNATING DATES, TIME AND LOCATION FOR REGULAR MEETINGS OF THE BOARD OF SUPERVISORS OF THE DISTRICT AND PROVIDING FOR AN EFFECTIVE DATE.

**WHEREAS**, the North Powerline Road Community Development District ("District") is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, being situated within the City of Davenport, Florida and unincorporated Polk County, Florida; and

**WHEREAS**, the Board of Supervisors of the District ("Board") is statutorily authorized to exercise the powers granted to the District; and

**WHEREAS**, all meetings of the Board shall be open to the public and governed by the provisions of Chapter 286, *Florida Statutes*; and

WHEREAS, the Board is statutorily required to file annually, with the local governing authority and the Florida Department of Economic Opportunity, a schedule of its regular meetings.

# NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT:

- 1. Regular meetings of the District's Board shall be held as provided on the schedule attached hereto as **Exhibit A**.
- 2. In accordance with Section 189.015(1), *Florida Statutes*, the District's Secretary is hereby directed to file annually, with Polk County, a schedule of the District's regular meetings.
- 3. This Resolution shall take effect immediately upon adoption.

# Adopted this 17th day of August, 2022.

**ATTEST:**

# BOARD OF SUPERVISORS MEETING DATES NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT FISCAL YEAR 2022/2023

The Board of Supervisors of the North Powerline Road Community Development District will hold their regular meetings for Fiscal Year 2022/2023 on the 1<sup>st</sup> Tuesday of each month, at the Holiday Inn—Winter Haven, 200 Cypress Gardens Blvd., Winter Haven, Florida 33880, at 10:30 a.m., unless otherwise indicated as follows:

October 4, 2022 November 1, 2022 December 6, 2022 January 3, 2023 February 7, 2023 March 7, 2023 April 4, 2023 May 2, 2023 June 6, 2023 July 4, 2023 August 1, 2023 September 5, 2023

The meetings are open to the public and will be conducted in accordance with the provision of Florida Law for Community Development Districts. The meetings may be continued to a date, time, and place to be specified on the record at the meeting. A copy of the agenda for these meetings may be obtained from Governmental Management Services - Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801 or by calling (407) 841-5524.

There may be occasions when one or more Supervisors or staff will participate by telephone. Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Office at (407) 841-5524 at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Office.

A person who decides to appeal any decision made at the meeting with respect to any matter considered at the meeting is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

### **RESOLUTION 2022-17**

# A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT DESIGNATING A DATE, TIME AND LOCATION FOR A LANDOWNERS' MEETING AND ELECTION; PROVIDING FOR PUBLICATION; ESTABLISHING FORMS FOR THE LANDOWNERS' ELECTION; AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, North Powerline Road Community Development District ("District") is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, being situated entirely within Polk County, Florida; and

WHEREAS, pursuant to Section 190.006(1), *Florida Statutes*, the District's Board of Supervisors ("**Board**") "shall exercise the powers granted to the district pursuant to Chapter 190, *Florida Statutes*," and the Board shall consist of five members; and

**WHEREAS**, the District is statutorily required to hold a meeting of the landowners of the District for the purpose of electing Board Supervisors for the District, which shall be noticed pursuant to Section 190.006(2), *Florida Statutes*.

# NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT:

1. **EXISTING BOARD SUPERVISORS; SEATS SUBJECT TO ELECTIONS.** The Board is currently made up of the following individuals:

Seat Number	<u>Supervisor</u>	Term Expiration Date
1	Rennie Heath	November 2022
2	Kevin Chinoy	November 2022
3	Lauren Schwenk	November 2024
4	Andrew Rhinehart	November 2024
5	Daniel Arnette	November 2022

This year, Seat 1, currently held by Rennie Heath, Seat 2, currently held by Kevin Chinoy, and Seat 5, currently held by Daniel Arnette, are subject to election by landowners in November 2022. The two candidates receiving the highest number of votes shall be elected to serve for a 4-year period, and the remaining candidate elected shall serve for a 2-year period. The term of office for each successful candidate shall commence upon election.

2. LANDOWNERS' ELECTION. In accordance with Section 190.006(2), *Florida Statutes*, the meeting of the landowners to elect Board Supervisor(s) of the District shall be held on Thursday the 17th day of November, 2022, at 11:00 a.m., and located at the Holiday Inn—Winter Haven, 200 Cypress Gardens Blvd., Winter Haven, Florida 33880.

**3. PUBLICATION.** The District's Secretary is hereby directed to publish notice of the landowners' meeting and election in accordance with the requirements of Section 190.006(2), *Florida* 

# Statutes.

4. FORMS. Pursuant to Section 190.006(2)(b), *Florida Statutes*, the landowners' meeting and election have been announced by the Board at its August 17, 2022 meeting. A sample notice of landowners' meeting and election, proxy, ballot form and instructions were presented at such meeting and are attached hereto as **Exhibit A**. Such documents are available for review and copying during normal business hours at the District's Local Records Office, located at 346 E. Central Avenue, Winter Haven, Florida 33880, or at the office of the District Manager, Governmental Management Services – Central Florida, LLC, located at 219 E. Livingston Street, Orlando, Florida 32801.

5. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

6. **EFFECTIVE DATE.** This Resolution shall become effective upon its passage.

**PASSED AND ADOPTED** this 17th day of August 2022.

ATTEST:

#### **EXHIBIT A**

### NOTICE OF LANDOWNERS' MEETING AND ELECTION AND MEETING OF THE BOARD OF SUPERVISORS OF THE NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT

Notice is hereby given to the public and all landowners within North Powerline Road Community Development District (**"District"**) the location of which is generally described as comprising a parcel or parcels of land containing 271.64 acres, more or less, generally located north of North Blvd. East and east of Hwy 17-92 partially within unincorporated Polk County, Florida, and partially within the City of Davenport, Florida, advising that a meeting of landowners will be held for the purpose of electing three (3) people to the District's Board of Supervisors (**"Board"**, and individually, **"Supervisor"**). Immediately following the landowners' meeting there will be convened a meeting of the Board for the purpose of considering certain matters of the Board to include election of certain District officers, and other such business which may properly come before the Board.

DATE:	Thursday, November 17, 2022
TIME:	11:00 AM
PLACE:	Holiday Inn Winter Haven
	200 Cypress Gardens Blvd.
	Winter Haven, Florida 33880

Each landowner may vote in person or by written proxy. Proxy forms may be obtained upon request at the office of the District Manager, Governmental Management Services – Central Florida, LLC, located at 219 East Livingston Street, Orlando, Florida 32801, Ph: (407) 841-5524 ("**District Manager's Office**"). At said meeting each landowner or his or her proxy shall be entitled to nominate persons for the position of Supervisor and cast one vote per acre of land, or fractional portion thereof, owned by him or her and located within the District for each person to be elected to the position of Supervisor. A fraction of an acre shall be treated as one acre, entitling the landowner to one vote with respect thereto. Platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy. At the landowners' meeting the landowners shall select a person to serve as the meeting chair and who shall conduct the meeting.

The landowners' meeting and the Board meeting are open to the public and will be conducted in accordance with the provisions of Florida law. One or both of the meetings may be continued to a date, time, and place to be specified on the record at such meeting. A copy of the agenda for these meetings may be obtained from the District Manager's Office. There may be an occasion where one or more supervisors or staff will participate by telephone.

Any person requiring special accommodations to participate in these meetings is asked to contact the District Manager's Office, at least 48 hours before the hearing. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

A person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that such person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

Jill Burns District Manager

# INSTRUCTIONS RELATING TO LANDOWNERS' MEETING OF NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT FOR THE ELECTION OF SUPERVISORS

#### DATE OF LANDOWNERS' MEETING: Thursday, November 17, 2022

#### TIME: 11:00 AM

#### LOCATION: Holiday Inn Winter Haven, 200 Cypress Gardens Blvd., Winter Haven, Florida 33880

Pursuant to Chapter 190, *Florida Statutes*, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), *Florida Statutes*.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. Moreover, please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected to serve for a 4-year period, and the remaining candidate elected shall serve for a 2-year period. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by <u>one</u> of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

# LANDOWNER PROXY

### NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT POLK COUNTY, FLORIDA LANDOWNERS' MEETING – THURSDAY, NOVEMBER 17, 2022

KNOW ALL MEN BY THESE PRESENTS, that the undersigned, the fee simple owner of the lands described herein, hereby constitutes and appoints

("**Proxy Holder**") for and on behalf of the undersigned, to vote as proxy at the meeting of the landowners of the North Powerline Road Community Development District to be held at the Holiday Inn Winter Haven, 200 Cypress Gardens Blvd., Winter Haven, Florida 33880, on Thursday, November 17, 2022, at 11:00 a.m., and at any adjournments thereof, according to the number of acres of unplatted land and/or platted lots owned by the undersigned landowner that the undersigned would be entitled to vote if then personally present, upon any question, proposition, or resolution or any other matter or thing that may be considered at said meeting including, but not limited to, the election of members of the Board of Supervisors. Said Proxy Holder may vote in accordance with his or her discretion on all matters not known or determined at the time of solicitation of this proxy, which may legally be considered at said meeting.

Any proxy heretofore given by the undersigned for said meeting is hereby revoked. This proxy is to continue in full force and effect from the date hereof until the conclusion of the landowners' meeting and any adjournment or adjournments thereof, but may be revoked at any time by written notice of such revocation presented at the landowners' meeting prior to the Proxy Holder's exercising the voting rights conferred herein.

[Insert above the street address of each parcel, the legal description of each parcel, or the tax identification number of each parcel. If more space is needed, identification of parcels owned may be incorporated by reference to an attachment hereto.]

# **Total Number of Authorized Votes:**

NOTES: Pursuant to Section 190.006(2)(b), *Florida Statutes* (2021), a fraction of an acre is treated as one (1) acre entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. Moreover, two (2) or more persons who own real property in common that is one acre or less are together entitled to only one vote for that real property.

If the fee simple landowner is not an individual, and is instead a corporation, limited liability company, limited partnership or other entity, evidence that the individual signing on behalf of the entity has the authority to do so should be attached hereto (e.g., bylaws, corporate resolution, etc.).

# **OFFICIAL BALLOT**

# NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT POLK COUNTY, FLORIDA LANDOWNERS' MEETING – THURSDAY, NOVEMBER 17, 2022

For Election (3 Supervisors): The two (2) candidates receiving the highest number of votes will each receive a four (4) year term, with the term of office for the successful candidates commencing upon election.

The undersigned certifies that he/she/it is the fee simple owner of land, or the proxy holder for the fee simple owner of land, located within the North Powerline Road Community Development District and described as follows:

June 15, 2022

North Powerline Road Community Development District c/o Ms. Katie Costa Director of Operations – Accounting Division Governmental Management Services-CF, LLC 6200 Lee Vista Boulevard, Suite 300 Orlando, FL 32822

Re: \$11,000,000 North Powerline Road Community Development District (Polk County, Florida), Special Assessment Bonds, Series 2022

To Whom It May Concern:

AMTEC is an independent consulting firm that specializes in arbitrage rebate calculations. We have the ability to complete rebate computations for the above-referenced North Powerline Road Community Development District (the "District") Series 2022 bond issue (the "Bonds"). We do not sell investments or seek an underwriting role. As a result of our specialization, we offer very competitive pricing for rebate computations. Our typical fee averages less than \$1,000 per year, per issue and includes up to five years of annual rebate liability reporting.

# **Firm History**

AMTEC was incorporated in 1990 and maintains a prominent client base of colleges and universities, school districts, hospitals, cities, state agencies and small-town bond issuers throughout the United States. We currently compute rebate for more than 6,900 bond issues and have delivered thousands of rebate reports. The IRS has never challenged our findings.

# **Southeast Client Base**

We provide arbitrage rebate services to over 350 bond issues aggregating more than \$9.1 billion of taxexempt debt in the southeastern United States. We have recently performed computations for the Magnolia West, East Park, Palm Coast Park, and Town Center at Palm Coast Park Community Development Districts. Additionally, we are exclusive rebate consultant to the Town of Palm Beach and Broward County in Florida. Nationally, we are rebate consultants for the City of Lubbock (TX), the City of Tulsa (OK) and the States of Connecticut, New Jersey, Montana, West Virginia, Vermont, Mississippi and Alaska.

We have prepared a Proposal for the computation of arbitrage for the District's Bonds. We have established a "bond year end" of June 9<sup>th</sup>, based upon the anniversary date of the Bonds in June 2022.

# Proposal

We are proposing rebate computation services based on the following:

- \$11,000,000 Series 2022 Special Assessment Bonds;
- Fixed Rate Debt; and
- Acquisition & Construction, Capitalized Interest, Cost of Issuance and Debt Service Accounts.

Should the Tax Agreement require rebate computations for any other accounts, computations will be extended to include those accounts at no additional cost to the District.

Our guaranteed fee for rebate computations for the Series 2022 Bonds is \$450 per year and will encompass all activity from June 9, 2022, the date of the closing, through June 9, 2027, the end of the 5<sup>th</sup> Bond Year and initial Computation Date. The fee is based upon the size as well as the complexity. Our fee is payable upon your acceptance of our rebate reports, which will be delivered shortly after the report dates specified in the following table.

<b>Report Date</b>	Type of Report	Period Covered	Fee
May 31, 2023	Rebate and Opinion	Closing – May 31, 2023	\$ 450
May 31, 2024	Rebate and Opinion	Closing – May 31, 2024	\$ 450
May 31, 2025	Rebate and Opinion	Closing – May 31, 2025	\$ 450
May 31, 2026	Rebate and Opinion	Closing – May 31, 2026	\$ 450
June 9, 2027	Rebate and Opinion	Closing – June 9, 2027	\$ 450

# AMTEC's Professional Fee – \$12,685,000 Series 2020 Special Assessment Bonds

# In order to begin, we are requesting copies of the following documentation:

- 1. Arbitrage Certificate or Tax Regulatory Agreement
- 2. IRS Form 8038-G
- 3. Closing Memorandum
- 4. US Bank statements for all accounts from June 9, 2022, the date of the closing, through each report date

# **AMTEC's Scope of Services**

Our standard engagement includes the following services:

- Review of all bond documents and account statements for possible rebate exceptions;
- Computation of the rebate liability and/or the yield restricted amount, in accordance with Section 148 of the Internal Revenue Code, commencing with the date of the closing through required reporting date of the Bonds;
- Independent calculation of the yield on the Bonds to ensure the correct basis for any rebate liability. This effort provides the basis for our unqualified opinion;
- Reconciliation of the sources and uses of funds from the bond documentation;

- Calculation and analysis of the yield on all investments, subject to the Regulations, for each computation period;
- Production of rebate reports, indicating the above stated information, and the issuance of the AMTEC Opinion;
- Recommendations for proactive rebate management;
- Commingled funds, transferred proceeds and yield restriction analyses, if necessary;
- Preparation of IRS Form 8038-T and any accompanying documentation, should a rebate payment be required;
- We will discuss the results of our Reports with you, your auditors, and our continued support in the event of an IRS inquiry; and
- We guarantee the completeness and accuracy of our work.

The District agrees to furnish AMTEC with the required documentation necessary to fulfill its obligation under the scope of services. The District will make available staff knowledgeable about the bond transactions, investments and disbursements of bond proceeds.

The District agrees to pay AMTEC its fee after it has been satisfied that the scope of services, as outlined under the Proposal, has been fulfilled. AMTEC agrees that its fee is all-inclusive and that it will not charge the District for any expenses connected with this engagement.

The parties have executed this Agreement on \_\_\_\_\_\_, 2022.

# INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors North Powerline Road Community Development District Polk County, Florida

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities and each major fund of North Powerline Road Community Development District, Polk County, Florida ("District") as of and for the fiscal year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2021, and the respective changes in financial position thereof for the fiscal year ended September 30, 2021 then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The information for compliance with FL Statute 218.39 (3) (c) is not a required part of the basic financial statements. The information for compliance with FL Statute 218.39 (3) (c) has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 7, 2022, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

June 7, 2022

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of North Powerline Road Community Development District, Polk County, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2021. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

#### FINANCIAL HIGHLIGHTS

- The assets of the District exceeded its liabilities at the close of the most recent fiscal year resulting in a net position balance of \$2,450,816.
- The change in the District's total net position in comparison with the prior fiscal year was \$2,430,196, an increase. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2021, the District's governmental funds reported combined ending fund balance of \$708,748, an increase of \$4,834,033 in comparison with the prior fiscal year. The fund balance is restricted for debt service, non-spendable for prepaids and unassigned deficit fund balance.

#### **OVERVIEW OF FINANCIAL STATEMENTS**

This discussion and analysis are intended to serve as the introduction to the District's financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by Developer contributions and assessments. The District does not have any business-type activities. The governmental activities of the District include the general government (management) and maintenance functions.

#### Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

### OVERVIEW OF FINANCIAL STATEMENTS (Continued)

#### Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund, all of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets exceeded liabilities at the close of the most recent fiscal year.

Key components of the District's net position are reflected in the following table:

SEPTEMBER 3	30,			
		2021	202	20 (Restated)
Current and other assets	\$	1,574,528	\$	44,928
Capital assets, net of depreciation		14,717,298		4,459,936
Total assets		16,291,826		4,504,864
Current liabilities		1,059,882		4,164,832

Net investment in capital assets		1,936,170		4,131,939
Restricted		752,612		-
Unrestricted		(237,966)		(4,111,319)
Total net position	\$	2,450,816	\$	20,620

#### NET POSITION SEPTEMBER 30,

### GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure) less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used.

The District's net position increased during the most recent fiscal year. The majority of the increase represents the extent to which ongoing program revenues exceeded the cost of operations.

Key elements of the change in net position are reflected in the following table:

FOR THE FISCAL YEAR ENDED SEPTEMBER 30,				
		2021	2020 (Restated)	
Revenues:				
Program revenues				
Charges for services	\$	301,886	\$	-
Operating grants and contributions		86,426		131,422
Capital grants and contributions		3,001,926		-
General revenues				
Investment earnings		6		3
Total revenues		3,390,244		131,425
Expenses:				
General government		124,698		129,627
Maintenance and operations		9,791		-
Bond issue costs		456,925		-
Interest		368,634		-
Total expenses		960,048		129,627
Change in net position		2,430,196		1,798
Net position - beginning, as previously stated		20,620		10,237
Prior period adjustment (Note 11)		-		8,585
Net position - beginning, as restated		20,620		18,822
Net position - ending	\$	2,450,816	\$	20,620

#### CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30,

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2021 was \$960,048. The costs of the District's activities were primarily funded by program revenues which were comprised of Developer contributions and assessments. The majority of the change in expenses results from bond issuance costs and interest expense.

#### **GENERAL BUDGETING HIGHLIGHTS**

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2021.

# CAPITAL ASSETS AND DEBT ADMINISTRATION

#### Capital Assets

At September 30, 2021, the District had \$14,717,298 invested in capital assets. In the government-wide financial statements, no depreciation has been taken, as the infrastructure is under construction. More detailed information about the District's capital assets is presented in the notes of the financial statements.

#### Capital Debt

At September 30, 2021, the District had \$12,685,000 in Bonds outstanding for its governmental activities. More detailed information about the District's capital debt is presented in the notes of the financial statements.

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

The District anticipates the continuation of the infrastructure improvement project for the subsequent fiscal year. In addition, it is anticipated that the general operations of the District will continue to increase.

#### CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

If you have questions about this report or need additional financial information, contact the North Powerline Road Community Development District's Finance Department at 219 E. Livingston Street, Orlando, Florida, 32801.

# NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT POLK COUNTY, FLORIDA RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2021

Net change in fund balances - total governmental funds	\$	4,834,033
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlays as expenditures; however, the cost of those assets is eliminated in the statement of activities and capitalized in the statement of net position.		10,257,362
Repayment of long-term liabilities are reported as expenditures in the governmental fund statements, but such repayments reduce liabilities in the statement of net position and are eliminated in the statement of		
activities.		319,412
Revenues that were unavailable in the prior year were recorded in the governmental funds in the current fiscal year.		(5,381)
Governmental funds report bond proceeds as financial resources, whereas these amounts are eliminated in the statement of activities and recognized as long-term liabilities in the statement of net position.	(	12,685,000)
In connection with the issuance of the Bonds, the original issue discount/premium is reported as a financing use/source when debt is first issued, whereas this amount is eliminated in the statement of activities and reduces/increases long-term liabilities in the statement of		
net position.		(98,875)
Amortization of Bond discounts/premiums is not recognized in the governmental fund financial statements, but is reported as an expense in the statement of activities.		2,747
The change in accrued interest on long-term liabilities between the current and prior fiscal year is recorded in the statement of activities but not in the governmental fund financial statements.		(194,102)
Change in net position of governmental activities	\$	2,430,196

# NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT POLK COUNTY, FLORIDA NOTES TO FINANCIAL STATEMENTS

# NOTE 1 - NATURE OF ORGANIZATION AND REPORTING ENTITY

North Powerline Road Community Development District (the "District") was established by the Board of County Commissioners of Polk County's approval of Ordinance No. 18-036 effective on June 5, 2018 pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected on an at large basis by the owners of the property within the District. The Board exercises all powers granted to the District pursuant to Chapter 190, Florida Statutes. As of September 30, 2021, all of the Board members are affiliated with JMBI Real Estate, LLC ("Developer").

The Board has the responsibility for:

- 1. Allocating and levying assessments.
- 2. Approving budgets.
- 3. Exercising control over facilities and properties.
- 4. Controlling the use of funds generated by the District.
- 5. Approving the hiring and firing of key personnel.
- 6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

# **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

# **Government-Wide and Fund Financial Statements**

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include: 1) charges to customers who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

#### Assessments

Assessments are non-ad valorem assessments on benefited property within the District. Operating and maintenance assessments are based upon the adopted budget and levied annually at a public hearing of the District. Debt service assessments are levied when Bonds are issued and assessed and collected on an annual basis. The District may collect assessments directly or utilize the uniform method of collection under Florida Statutes. Direct collected assessments are due as determined by annual assessment resolution adopted by the Board of Supervisors. Assessments collected under the uniform method are mailed by the County Tax Collector on November 1 and due on or before March 31 of each year. Property owners may prepay a portion or all of the debt service assessments on their property subject to various provisions in the Bond documents.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental funds:

#### General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

#### Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

# Capital Projects Fund

This fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure and for the accumulation of reserves for future capital projects within the District.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

# Assets, Liabilities and Net Position or Equity

#### **Restricted Assets**

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

# **Deposits and Investments**

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

# Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

# Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

#### Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

# Assets, Liabilities and Net Position or Equity (Continued)

#### Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

#### Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

<u>Committed fund balance</u> – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

<u>Assigned fund balance</u> – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

# Assets, Liabilities and Net Position or Equity (Continued)

#### Fund Equity/Net Position (Continued)

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position not meeting the definition of either of the other two components.

#### Other Disclosures

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

# **NOTE 3 - BUDGETARY INFORMATION**

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriations for annually budgeted funds lapse at the end of the year.

# **NOTE 4 – DEPOSITS AND INVESTMENTS**

#### **Deposits**

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

# NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

# **Investments**

The District's investments were held as follows at September 30, 2021:

	Amo	rtized Cost	Credit Risk	Maturities
First American Treasury Obligation				Weighted average of the fund
Fd Cl Y	\$	830,517	S&P AAAm	portfolio: 13 days
	\$	830,517		

*Custodial credit risk* – For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of the investments or collateral securities that are in the possession of an outside party. The District has no formal policy for custodial risk.

*Credit risk* – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

*Concentration risk* – The District places no limit on the amount the District may invest in any one issuer.

*Interest rate risk* – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

*Fair Value Measurement* – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- *Level 1:* Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- Level 2: Investments whose inputs other than quoted market prices are observable either directly or indirectly; and,
- Level 3: Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. Accordingly, the District's investments have been reported at amortized cost above.

# **NOTE 5 - CAPITAL ASSETS**

Capital asset activity for the fiscal year ended September 30, 2021 was as follows:

	E	Beginning Balance	Additions	Re	eductions	Ending Balance
Governmental activities						
Capital assets, not being depreciated						
Infrastructure under construction	\$	4,459,936	\$ 10,257,362	\$	-	\$ 14,717,298
Total capital assets, not being depreciated		4,459,936	10,257,362		-	14,717,298
Governmental activities capital assets, net	\$	4,459,936	\$ 10,257,362	\$	-	\$ 14,717,298

The infrastructure intended to serve the District has been estimated at a total cost of approximately \$19.4 million. The infrastructure will include roadways, potable water and wastewater systems, and land improvements. In addition, the project will include irrigation, parks, and recreational facilities that will be constructed and operated by others. A portion of the project costs was expected to be financed with the proceeds from the issuance of Bonds with the remainder to be funded by the Developer and conveyed to the District. During the current fiscal year the Developer contributed \$3,001,785 to the Capital Projects Fund and owed the District \$579,194. Upon completion, the potable and wastewater systems are to be conveyed to others for ownership and maintenance responsibilities.

# **NOTE 6 – LONG-TERM LIABILITIES**

#### Series 2020

During December 2020, the District issued \$12,685,000 of Special Assessment Bonds, Series 2020 consisting of Term Bonds due ranging from May 1, 2025 to May 1, 2051 and fixed interest rates ranging from 2.625% to 4.0%. The Bonds were issued to finance the acquisition and construction of certain improvements for the benefit of the District. Interest is to be paid semiannually on each May 1 and November 1, commencing May 1, 2021 and the principal on the bonds is to be paid serially commencing May 1, 2051.

The Series 2020 Bonds are subject to optional redemption, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts, and at the redemption prices more fully described in the Redemption Provisions as outlined in the Bond Indenture.

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District was in compliance with the requirements at September 30, 2021.

# NOTE 6 – LONG-TERM LIABILITIES (Continued)

# Long-term Debt Activity

Changes in long-term liability activity for the fiscal year ended September 30, 2021 were as follows:

	Beginning Balance						Ending	D	ue Within
	(Restated)			R	Reductions		Balance	One Year	
Governmental activities									
Bonds payable:									
Series 2020	\$ -	\$	12,685,000	\$	-	\$	12,685,000	\$	250,000
Plus: Original issue premium	-		98,875		2,747		96,128		-
Developer advances	319,412		-		319,412		-		
Total	\$ 319,412	\$	12,783,875	\$	322,159	\$	12,781,128	\$	250,000

At September 30, 2021, the scheduled debt service requirements on the long-term debt were as follows:

Year ending	Governmental Activities								
September 30:		Principal		Interest	Total				
2022	\$	250,000	\$	462,563	\$	712,563			
2023		255,000		455,934		710,934			
2024		260,000		449,175		709,175			
2025		270,000		442,219		712,219			
2026		275,000		434,378		709,378			
2027-2031		1,525,000		2,033,579		3,558,579			
2032-2036		1,810,000		1,744,863		3,554,863			
2037-2041		2,180,000		1,383,294		3,563,294			
2042-2046		2,635,000		917,100		3,552,100			
2047-2051		3,225,000		332,500		3,557,500			
	\$	12,685,000	\$	8,655,605	\$	21,340,605			

# **NOTE 7 - DEVELOPER TRANSACTIONS**

The Developer has agreed to fund the general operations of the District. In connection with that agreement, Developer contributions to the general fund were \$91,770, which includes a receivable of \$4,877 as of September 30, 2021. In addition, assessments in the general and debt service funds include amounts on Developer owned lots.

In addition, the Developer has agreed to fund certain Bond costs and construction project costs during prior fiscal years. Such amounts are considered to be advances as the District is required to repay the Developer from Bond proceeds, which occurred during the current fiscal year. The District paid the Developer \$319,412 related to the advances as of September 30, 2021.

# **NOTE 8 - CONCENTRATION**

The District's activity is dependent upon the continued involvement of the Developer and major landowners, the loss of which could have a material adverse effect on the District's operations.

# **NOTE 9 - MANAGEMENT COMPANY**

The District has contracted with a management company to perform services which include financial and accounting advisory services. Certain employees of the management company also serve as officers of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, computer and other administrative costs.

# **NOTE 10 - RISK MANAGEMENT**

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims since inception of the District.

# NOTE 11 - PRIOR PERIOD ADJUSTMENT

During the current fiscal year, the District recorded a prior period adjustment in order to reduce the Developer advances from the prior year as follows:

	Go	Wide
Net position/fund balance - beginning, as previously stated	\$	12,035
Prior period adjustment		8,585
Net position/fund balance - beginning, as restated	\$	20,620

# NOTE 12 – SUBSEQUENT EVENTS

#### **Developer Transactions**

Subsequent to fiscal year end, the Developer contributed \$2,236,867 to the Capital Projects Fund.

# NORTH POWERLINE ROAD COMMUNITY DEVELOPMENT DISTRICT POLK COUNTY, FLORIDA NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget for the general fund. The District's budgeting process is based on estimates of cash receipts and cash expenditures which are approved by the Board. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2021

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors North Powerline Road Community Development District Polk County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of North Powerline Road Community Development District, Polk County, Florida ("District") as of and for the fiscal year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated June 7, 2022.

# Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

June 7, 2022

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES, REQUIRED BY RULE 10.556(10) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Board of Supervisors North Powerline Road Community Development District Polk County, Florida

We have examined North Powerline Road Community Development District, Polk County, Florida's ("District") compliance with the requirements of Section 218.415, Florida Statutes, in accordance with Rule 10.556(10) of the Auditor General of the State of Florida during the fiscal year ended September 30, 2021. Management is responsible for District's compliance with those requirements. Our responsibility is to express an opinion on District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced in Section 218.415, Florida Statutes. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, management, and the Board of Supervisors of North Powerline Road Community Development District, Polk County, Florida and is not intended to be and should not be used by anyone other than these specified parties.

June 7, 2022

# MANAGEMENT LETTER PURSUANT TO THE RULES OF THE AUDITOR GENERAL FOR THE STATE OF FLORIDA

To the Board of Supervisors North Powerline Road Community Development District Polk County, Florida

# **Report on the Financial Statements**

We have audited the accompanying basic financial statements of North Powerline Road Community Development District, Polk County, Florida ("District") as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated June 7, 2022.

# Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

# Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Auditor's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated June 7, 2022, should be considered in conjunction with this management letter.

# Purpose of this Letter

The purpose of this letter is to comment on those matters required by Chapter 10.550 of the Rules of the Auditor General for the State of Florida. Accordingly, in connection with our audit of the financial statements of the District, as described in the first paragraph, we report the following:

- I. Current year findings and recommendations.
- II. Status of prior year findings and recommendations.
- III. Compliance with the Provisions of the Auditor General of the State of Florida.

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, as applicable, management, and the Board of Supervisors of North Powerline Road Community Development District, Polk County, Florida and is not intended to be and should not be used by anyone other than these specified parties.

We wish to thank North Powerline Road Community Development District, Polk County, Florida and the personnel associated with it, for the opportunity to be of service to them in this endeavor as well as future engagements, and the courtesies extended to us.

# **REPORT TO MANAGEMENT**

# I. CURRENT YEAR FINDINGS AND RECOMMENDATIONS

None

# II. PRIOR YEAR FINDINGS AND RECOMMENDATIONS

None

# III. COMPLIANCE WITH THE PROVISIONS OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

Unless otherwise required to be reported in the auditor's report on compliance and internal controls, the management letter shall include, but not be limited to the following:

1. A statement as to whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report.

There were no significant findings and recommendations made in the preceding annual financial audit report for the fiscal year ended September 30, 2020.

2. Any recommendations to improve the local governmental entity's financial management.

There were no such matters discovered by, or that came to the attention of, the auditor, to be reported for the fiscal year ended September 30, 2021.

3. Noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance.

There were no such matters discovered by, or that came to the attention of, the auditor, to be reported, for the fiscal year ended September 30, 2021.

- 4. The name or official title and legal authority of the District are disclosed in the notes to the financial statements.
- 5. The District has not met one or more of the financial emergency conditions described in Section 218.503(1), Florida Statutes.
- 6. We applied financial condition assessment procedures and no deteriorating financial conditions were noted as of September 30, 2021. It is management's responsibility to monitor financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.
- 7. Management has provided the specific information required by Section 218.39(3)(c) in the Other Information section of the financial statements on page 24.

# SECTION IX

# SECTION B

# SECTION 1

#### TEMPLATE FOR LOCAL GOVERNMENTS AND SPECIAL DISTRICTS FOR PERFORMING A STORMWATER NEEDS ANALYSIS PURSUANT TO SECTION 5 OF SECTION 403.9302, FLORIDA STATUTES

#### **INTRODUCTION**

As part of the 2021 regular session, the Legislature recognized the need for a long-term planning process for stormwater and wastewater. Section 403.9302, Florida Statutes, requires a 20-year needs analysis from the local governments providing stormwater services. Because this planning document is forward-looking, it will necessarily include a large number of assumptions about future actions. These assumptions should be based on any available information coupled with best professional judgment of the individuals completing the document.

Completing this template by June 30, 2022, will fulfill the statutory requirements for the first round of 20-year needs analyses for stormwater. The template was generated by EDR in cooperation with local governments, Special Districts, the Florida Department of Environmental Protection (DEP), the Water Management Districts, the Florida Stormwater Association, private consultants, and others. Use of this tool will help ensure that information is compiled consistently for the Office of Economic & Demographic Research's (EDR) report to the Legislature.

For the purposes of this document, a stormwater management program and a stormwater management system are as defined in statute (s. 403.031(15) and (16), F.S., respectively; language provided here:

https://www.flsenate.gov/Laws/Statutes/2021/403.031). Plainly speaking, the "program" is the institutional framework whereby stormwater management activities (MS4 NPDES permit activities, and other regulatory activities, construction, operation and maintenance, *etc.*) are carried out by the public authority. The "system" comprises the physical infrastructure that is owned and/or operated by the local government or special district that specifically is intended to control, convey or store stormwater runoff for treatment and flood protection purposes.

For the purposes of this document, the following guiding principles have been adopted:

• Stormwater systems or facilities owned and operated by any of the following are excluded from reporting requirements for local governments and special districts:

o Private entities or citizens

o Federal government

o State government, including the Florida Department of Transportation (FDOT)

o Water Management Districts

o School districts

o State universities or Florida colleges

• Local government expenditures associated with routine operation and maintenance are fully funded prior to commencing new projects and initiatives.

• Local government submissions will include the activities of dependent special districts. Only independent special districts report separately. For a list of all special districts in the state and their type (*i.e.,* dependent or independent), please see the Department of Economic Opportunity's Official List of Special Districts at the following link: http://specialdistrictreports.floridajobs.org/webreports/alphalist.aspx.

• With respect to federal and state statutes and rulemaking, current law and current administration prevails throughout the 20-year period. In other words, the state's present legal framework (*i.e.*, the status quo) continues throughout the period.

#### GENERAL INSTRUCTIONS FOR USING THE TEMPLATE

Instructions for submitting the template are still under development. Additional information regarding submission and answers to frequently asked questions will be posted on EDR's website, along with other useful materials, here: http://edr.state.fl.us/Content/natural-resources/stormwaterwastewater.cfm

The statutory language forms the titles for each part. This template asks that you group your recent and projected expenditures in prescribed categories. A detailed list of the categories is provided in part 5.0.

The same project should not appear on multiple tables in the jurisdiction's response unless the project's expenditures are allocated between those tables. All expenditures should be reported in \$1,000s (*e.g.*, five hundred thousand dollars should be reported as \$500).

For any jurisdiction that is contracting with another jurisdiction where both could be reporting the same expenditure, please contact EDR for additional guidance. In situations where a reporting jurisdiction contracts with a non-reporting jurisdiction, (*i.e.*, FDOT, the water management districts, the state or federal government), the reporting jurisdiction should include the expenditures.

When reporting cost information, please only include the expenditures that have flowed, are flowing, or will likely flow through your jurisdiction's budget. While necessary to comply with the statute, the concept of "future expenditures" should be viewed as an expression of identified needs.

These projections are necessarily speculative and do not represent a firm commitment to future budget actions by the jurisdiction.

This Excel workbook contains three worksheets for data entry. (Along the bottom of the screen, the three tabs are highlighted green.) Empty cells with visible borders are unlocked for data entry. In the first tab, titled "Background through Part 4," the information requested is either text, a dropdown list (*e.g.*, Yes or No), or a checkbox. The next tab, "Part 5 through Part 8," contains tables for expenditure or revenue data as well as some follow-up questions that may have checkboxes, lists, or space for text.

In Part 5 and Part 6, the expenditure tables have space for up to 5 projects. More projects can be listed in the "Additional Projects" tab. This tab contains a table with space for up to 200 additional projects. In order for these additional projects and expenditures to be correctly classified and included in the final totals, each project must be assigned a Project Type and Funding Source Type the from the dropdown lists in columns B and C.

#### Part 1.0 Detailed description of the stormwater management program (Section 403.9302(3)(a), F.S.)

The stormwater management program, as defined in the Introduction, includes those activities associated with the management, operation and maintenance, and control of stormwater and stormwater management systems, including activities required by state and federal law. The detailed program description is divided into multiple subparts consisting of narrative and data fields.

#### Part 1.1 Narrative Description:

Please provide a brief description of the current institutional strategy for managing stormwater in your jurisdiction. Please include any mission statement, divisions or departments dedicated solely or partly to managing stormwater, dedicated funding sources, and other information that best describes your approach to stormwater:

On a scale of 1 to 5, with 5 being the highest, please indicate the importance of each of the following goals for your program: 0 1 2 3 4 5

<u> </u>	-	2	5	-	5	
				~		Drainage & flood abatement (such as flooding events associated with rainfall and hurricanes)
				-/		Water quality improvement (TMDL Process/BMAPs/other)
		7				Reduce vulnerability to adverse impacts from flooding related to increases in frequency and duration of rainfall events, storm surge and sea level rise
						Other:

#### Part 1.3 Current Stormwater Program Operation and Maintenance Activities

Please provide answers to the following questions regarding the operation and maintenance activities undertaken by your stormwater management program.

No

Does your jurisdiction typically assume maintenance responsibility for stormwater systems associated with
 new private development (*i.e.*, systems that are dedicated to public ownership and/or operation upon completion)?

Notes or Comments on the above:

Routine mowing of turf associated with stormwater ponds, swales, canal/lake banks, etc. ?	No
Debris and trash removal from pond skimmers, inlet grates, ditches, etc.?	No
Invasive plant management associated with stormwater infrastructure?	No
Ditch cleaning?	No
Sediment removal from the stormwater system (vactor trucks, other)?	No
Muck removal (dredging legacy pollutants from water bodies, canal, etc.)?	No
Street sweeping?	Yes
Pump and mechanical maintenance for trash pumps, flood pumps, alum injection, etc.?	No
Non-structural programs like public outreach and education?	
Other specific routine activities?	

# Part 2. Detailed description of the stormwater management system and its facilities and projects (continued Section 403.9302(3)(a), F.S.)

A stormwater management system, as defined in the Introduction, includes the entire set of site design features and structural infrastructure for collection, conveyance, storage, infiltration, treatment, and disposal of stormwater. It may include drainage improvements and measures to prevent streambank channel erosion and habitat degradation. This section asks for a summary description of your stormwater management system. It is not necessary to provide geospatial asset data or a detailed inventory. For some, it may be possible to gather the required data from your Asset Management (AM) system. For others, data may be gathered from sources such as an MS4 permit application, aerial photos, past or ongoing budget investments, water quality projects, or any other system of data storage/management that is employed by the jurisdiction.

•

Please provide answers to the following questions regarding your stormwater system inventory. Enter zero (0) if your system does not include the component.

	Number	Unit of Measurement
Estimated feet or miles of buried culvert:	13,119.00	
Estimated feet or miles of open ditches/conveyances (lined and unlined) that are maintained by the		
stormwater program:	0.00	Feet
Estimated number of storage or treatment basins ( <i>i.e.</i> , wet or dry ponds):	15	
Estimated number of gross pollutant separators including engineered sediment traps such as baffle boxes,		
hydrodynamic separators, etc. :	0	
Number of chemical treatment systems ( <i>e.g.</i> , alum or polymer injection):	0	
Number of stormwater pump stations:	0	
Number of dynamic water level control structures (e.g., operable gates and weirs that control canal water		
levels):	10	
Number of stormwater treatment wetland systems:	1	
Other:		_
Notes or Comments on any of the above:		

Which of the following green infrastructure best management practices do you use to manage water flow and/or improve water quality (answer Yes/No):

		Best Management Practice	Current	Planned
		Tree boxes	No	
		Rain gardens	No	
		Green roofs	No	
		Pervious pavement/pavers	No	
		Littoral zone plantings	Yes	
		Living shorelines	No	
	Other Be	est Management Practices:	1	1

### Part 3. The number of current and projected residents served calculated in 5-year increments (Section 403.9302(3)(b), F.S.)

Counties and municipalities: Instead of requiring separate population projections, EDR will calculate the appropriate population estimates for each municipality or the unincorporated area of the county. If your service area is less than or more than your local government's population, please describe in the first text box provided below for part 4.0.

### Independent Special Districts:

If an independent special district's boundaries are completely aligned with a county or a municipality, identify that jurisdiction here:

CDD

2222

2222

Any independent special district whose boundaries do not coincide with a county or municipality must submit a GIS shapefile with the current and projected service area. EDR will calculate the appropriate population estimates based on that map. Submission of this shapefile also serves to complete Part 4.0 of this template.

Part 4.0 The current and projected service area for the stormwater management program or stormwater management system (Section 403.9302(3)(c), F.S.)

Rather than providing detailed legal descriptions or maps, this part of the template is exception-based. In this regard, if the stormwater service area is less than or extends beyond the geographic limits of your jurisdiction, please explain.

Circuit de l'économies de la construction de	describes also showed a first sheep construction of suc
Similarly, if your service area is expected to change within the 20-year horizon, please	describe the changes (e.g., the expiration of an
interlegel equation of the independent encoded district at (	
interlocal agreement, introduction of an independent special district, etc.).	

Proceed to Part 5

#### Part 5.0 The current and projected cost of providing services calculated in 5-year increments (Section 403.9302(3)(d), F.S.)

Given the volume of services, jurisdictions should use the template's service groupings rather than reporting the current and projected cost of each individual service. Therefore, for the purposes of this document, "services" means:

- 1. Routine operation and maintenance (inclusive of the items listed in Part 1.3 of this document, ongoing administration, and non-structural programs)
- 2. Expansion (that is, improvement) of a stormwater management system.

Expansion means new work, new projects, retrofitting, and significant upgrades. Within the template, there are four categories of expansion projects.

- 1. Flood protection, addressed in parts 5.2 and 5.3... this includes capital projects intended for flood protection/flood abatement
- 2. Water quality, addressed in part 5.2 and 5.3... this includes stormwater projects related to water quality improvement, such as BMAPs; projects to benefit natural systems through restoration or enhancement; and stormwater initiatives that are part of aquifer recharge projects
- 3. Resiliency, addressed in part 5.4... this includes all major stormwater initiatives that are developed specifically to address the effects of climate change, such as sea level rise and increased flood events
- 4. End of useful life replacement projects, addressed in part 6.0... this includes major expenses associated with the replacement of aging infrastructure

While numbers 3 and 4 have components that would otherwise fit into the first two categories, they are separately treated given their overall importance to the Legislature and other policymakers.

Expansion projects are further characterized as currently having either a committed funding source or no identified funding source. Examples of a committed funding source include the capacity to absorb the project's capital cost within current budget levels or forecasted revenue growth; financing that is underway or anticipated (bond or loan); known state or federal funding (appropriation or grant); special assessment; or dedicated cash reserves for future expenditure.

All answers should be based on local fiscal years (LFY, beginning October 1 and running through September 30). Please use nominal dollars for each year, but include any expected cost increases for inflation or population growth. Please check the EDR website for optional growth rate schedules that may be helpful.

If you have more than 5 projects in a particular category, please use the "Additional Projects" tab. There, you can use dropdown lists to choose the project category and whether there is a committed funding source, then enter the project name and expenditure amounts.

### Part 5.1 Routine Operation and Maintenance

Please complete the table below, indicating the cost of operation and maintenance activities for the current year and subsequent five-year increments throughout the 20-year horizon. Your response to this part should exclude future initiatives associated with resiliency or major expenses associated with the replacement of aging infrastructure; these activities are addressed in subparts 5.4 and 6.0. However, do include non-structural programs like public outreach and education in this category.

If specific cost data is not yet available for the current year, the most recent (2020-21) O&M value can be input into the optional growth rate schedules (available on EDR's website as an Excel workbook). The most recent O&M value can be grown using the provided options for inflation, population growth, or some other metric of your choosing. If the growth in your projected total O&M costs is more than 15% over any five-year increment, please provide a brief explanation of the major drivers.

Expenditures (in \$thousands)							
157 2021 2022	2022-23 to	2027-28 to	28 to 2032-33 to	2037-38 to			
LFY 2021-2022	2026-27	2031-32	2036-37	2041-42			
any 5-year period:							
	LFY 2021-2022 any 5-year period:	LFY 2021-2022 2022-23 to 2026-27	LFY 2021-2022 2022-23 to 2027-28 to 2027-28 to 20231-32	LFY 2021-2022 2022-23 to 2027-28 to 2032-33 to 2026-27 2031-32 2036-37			

#### Part 5.2 Future Expansion (Committed Funding Source)

Please list expansion projects and their associated costs for the current year and subsequent five-year increments throughout the 20-year planning horizon. In this section, include stormwater system expansion projects or portions of projects with a committed funding source. If you include a portion of a project that is not fully funded, the project's remaining cost must be included in part 5.3, Expansion Projects with No Identified Funding Source.

Though many, if not most, stormwater projects benefit both flood protection and water quality, please use your best judgment to either allocate costs or simply select the primary purpose from the two categories below.

5.2.1 Flood Protection (Committed Funding Source): Provide a list of all scheduled new work, retrofitting and upgrades related to flood protection/flood abatement. Include infrastructure such as storage basins, piping and other conveyances, land purchases for stormwater projects, *etc*. Also include major hardware purchases such as vactor/jet trucks.

5.2.2 Water Quality Projects (Committed Funding Source): Please provide a list of scheduled water quality projects in your jurisdiction, such as treatment basins, alum injection systems, green infrastructure, water quality retrofits, *etc.*, that have a direct stormwater component. The projected expenditures should reflect only those costs.

• If you are party to an adopted BMAP, please include the capital projects associated with stormwater in this table. Include BMAP project number, cost to your jurisdiction, and year(s) that capital improvement costs are to be incurred. For reference, DEP publishes a complete list of adopted BMAP projects as an appendix in their Annual STAR Report.

#### **Expansion Projects with a Committed Funding Source**

5.2.1 Flood Protection	Expenditures (in \$thousands)						
Project Name	LFY 2021-2022	2022-23 to 2026-27	2027-28 to 2031-32	2032-33 to 2036-37	2037-38 to 2041-42		
5.2.2 Water Quality	Expenditures (in \$thousands)						
Project Name (or, if applicable, BMAP Project Number or ProjID)	LFY 2021-2022	2022-23 to 2026-27	2027-28 to 2031-32	2032-33 to 2036-37	2037-38 to 2041-42		

#### Part 5.3 Future Expansion with No Identified Funding Source

Please provide a list of known expansion projects or anticipated need(s) without formal funding commitments(s), formal pledges, or obligations. If you included a portion of a project that was partially covered by a committed source in part 5.2 above, list the projects and their remaining costs below.

5.3.1 Future Flood Protection with No Identified Funding Source: Please provide a list of future flood protection/flood abatement projects, associated land purchases, or major hardware purchases that are needed in your jurisdiction over the next 20 years. Future needs may be based on Master Plans, Comprehensive Plan Elements, Water Control Plans, areas of frequent flooding, hydrologic and hydraulic modeling, public safety, increased frequency of maintenance, desired level of service, flooding complaints, *etc.* 

5.3.2 Future Water Quality Projects with no Identified Funding Source: Please provide a list of future stormwater projects needed in your jurisdiction over the next 20 years that are primarily related to water quality issues. Future needs may be based on proximity to impaired waters or waters with total maximum daily loads (TMDLs), BMAPs, state adopted Restoration Plans, Alternative Restoration Plans, or other local water quality needs.

- If you are party to an adopted BMAP, please list capital projects associated with stormwater. Include BMAP project number, cost to your jurisdiction, and year(s) that capital improvement costs are to be incurred.
- List other future water quality projects, including those in support of local water quality goals as well as those identified in proposed (but not yet adopted) BMAPs.

### **Expansion Projects with No Identified Funding Source**

5.3.1 Flood Protection		Expenditures (in \$thousands)						
Project Name	LFY 2021-2022	2022-23 to	2027-28 to	2032-33 to	2037-38 to			
		2026-27	2031-32	2036-37	2041-42

### Part 5.4 Stormwater projects that are part of resiliency initiatives related to climate change

Please list any stormwater infrastructure relocation or modification projects and new capital investments specifically needed due to sea level rise, increased flood events, or other adverse effects of climate change. When aggregating, include O&M costs for these future resiliency projects and investments in this table (not in part 5.1). If your jurisdiction participates in a Local Mitigation Strategy (LMS), also include the expenditures associated with your stormwater management system in this category (for example, costs identified on an LMS project list).

Resiliency Projects with a Committed Funding Sou	Exp	enditures (in \$thous	ands)		
Project Name	LFY 2021-2022	2022-23 to 2026-27	2027-28 to 2031-32	2032-33 to 2036-37	2037-38 to 2041-42

	LFT 2021-2022	2026-27	2031-32	2036-37	2041-42
Has a vulnerability assessment been completed for	vour iurisdiction's	storm water syster	m2		
as a vullerability assessment been completed for	your jurisdiction's	storin water syster			
If no, how many facilities have been as	sessed?				
Does your jurisdiction have a long-range resiliency	plan of 20 years or	more?			

Does your jurisdiction have a long-range resiliency plan of 20 years or more?	

If yes, please provide a link if available:	
If no, is a planning effort currently underway?	

#### Part 6.0 The estimated remaining useful life of each facility or its major components (Section 403.9302(3)(e), F.S.)

Rather than reporting the exact number of useful years remaining for individual components, this section is constructed to focus on infrastructure components that are targeted for replacement and will be major expenses within the 20-year time horizon. Major replacements include culverts and pipe networks, control structures, pump stations, physical/biological filter media, *etc*. Further, the costs of retrofitting when used in lieu of replacement (such as slip lining) should be included in this part. Finally, for the purposes of this document, it is assumed that open storage and conveyance systems are maintained (as opposed to replaced) and have an unlimited service life.

In order to distinguish between routine maintenance projects and the replacement projects to be included in this part, only major expenses are included here. A major expense is defined as any single replacement project greater than 5% of the jurisdiction's total O&M expenditures over the most recent five-year period (such as a project in late 2021 costing more than 5% of the O&M expenditures for fiscal years 2016-2017 to 2020-2021).

If you have more than 5 projects in a particular category, please use the "Additional Projects" tab. There, you can use dropdown lists to choose the project category and whether there is a committed funding source, then enter the project name and expenditure amounts.

### End of Useful Life Replacement Projects with a Committed Funding Source

	Expenditures (in Sthousands)						
Broject Name	LFY 2021-2022	2022-23 to	2027-28 to	2032-33 to	2037-38 to

End of Useful Life Replacement Projects with No Identified Funding Source

Expenditures (in \$thousands)

Project Name	LFY 2021-2022	2022-23 to	2027-28 to	2032-33 to	2037-38 to	
-,		2026-27	2031-32	2036-37	2041-42	

Part 7.0 The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components. (Section 403.9302(3)(f), F.S.)

This part of the template also addresses a portion of s. 403.9302(3)(g), F.S., by including historical expenditures. Many local governments refer to these as "actual" expenditures.

Consistent with expenditure projections, the jurisdiction's actual expenditures are categorized into routine O&M, expansion, resiliency projects, and replacement of aging infrastructure. Additionally, the table includes space for reserve accounts. EDR's interpretation of subparagraph 403.9302(3)(f), F.S., is that "capital account" refers to any reserve account developed specifically to cover future expenditures.

Note that for this table:

- Expenditures for local fiscal year 2020-21 can be estimated based on the most current information if final data is not yet available.
- Current Year Revenues include tax and fee collections budgeted for that fiscal year as well as unexpended balances from the prior year (balance forward or carry-over) unless they are earmarked for the rainy day or a dedicated reserve as explained in the following bullets.
- Bond proceeds should reflect only the amount expended in the given year.
- A reserve is a dedicated account to accumulate funds for a specific future expenditure.
- An all-purpose rainy day fund is a type of working capital fund typically used to address costs associated with emergencies or unplanned events.

The sum of the values reported in the "Funding Sources for Actual Expenditures" columns should equal the total "Actual Expenditures" amount. The cells in the "Funding Sources for Actual Expenditures" section will be highlighted red if their sum does not equal the "Actual Expenditures" total.

If you do not have a formal reserve dedicated to your stormwater system, please enter zero for the final two reserve columns.

Part 8.0 The local government's plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the local government expects to close any projected funding gap (Section 403.9302(3)(g), F.S.)

In this template, the historical data deemed necessary to comply with s. 403.9302(3)(g), F.S., was included in part 7.0. This part is forward looking and includes a funding gap calculation. The first two tables will be auto-filled from the data you reported in prior tables. To do this, EDR will rely on this template's working definition of projects with committed funding sources, *i.e.*, EDR assumes that all committed projects have committed revenues. Those projects with no identified funding source are considered to be unfunded. EDR has automated the calculation of projected funding gaps based on these assumptions.

Committed Funding Source	2022-23 to	2027-28 to	2032-33 to	2037-38 to
committee Funding Source	2026-27	2031-32	2036-37	2041-42
Maintenance	0	0	0	0
Expansion	0	0	0	0
Resiliency	0	0	0	0
Replacement/Aging Infrastructure	0	0	0	0
Total Committed Revenues (=Total Committed Projects)	0	0	0	0

No Identified Funding Source	2022-23 to 2026-27	2027-28 to 2031-32	2032-33 to 2036-37	2037-38 to 2041-42
Maintenance	0	0	0	0
Expansion	0	0	0	0
Resiliency	0	0	0	0
Replacement/Aging Infrastructure	0	0	0	0
Projected Funding Gap (=Total Non-Committed Needs)	0	0	0	0

For any specific strategies that will close or lessen a projected funding gap, please list them in the table below. For each strategy, also include the expected new revenue within the five-year increments.

Strategies for New Funding Sources	2022-23 to 2026-27	2027-28 to 2031-32	2032-33 to 2036-37	2037-38 to 2041-42
Total	0	0	0	0
	•			
Remaining Unfunded Needs	0	0	0	C

# Additional Table Rows

Choose from the drop-down lists for Project Type and Funding Source Type, then fill in the project name and expenditure estimates. Rows that are highlighted RED are either missing information in a "Project & Type Information" column or have zero expenditures. Link to aggregated table to crosscheck category totals and uncategorized projects.

# TEMPLATE FOR LOCAL GOVERNMENTS AND SPECIAL DISTRICTS FOR PERFORMING A WASTEWATER NEEDS ANALYSIS PURSUANT TO SECTION 403.9301, FLORIDA STATUTES

# INTRODUCTION

As part of the 2021 regular session, the Florida Legislature recognized the need for a long-term planning process for domestic wastewater. Section 403.9301, Florida Statutes, requires a 20-year needs analysis from the local governments providing wastewater services. Because this planning document is forward-looking, it will necessarily include a large number of assumptions about future actions. These assumptions should be based on the best available information coupled with the best professional judgment of the individuals completing the document.

Completing this template by June 30, 2022, will fulfill the statutory requirements for the first round of 20-year needs analyses for wastewater. The template was generated by the Office of Economic & Demographic Research (EDR) in cooperation with local governments and representatives of the Florida Water Environment Association Utility Council, private consultants, and others. Use of this tool will help ensure that information is compiled consistently for EDR's report to the Legislature.

For the purposes of this document, wastewater services are as defined in statute s. 403.9301(2)(d), F.S., to mean service to a sewerage system as defined in <u>s. 403.031(9)</u>, F.S., or service to a domestic wastewater treatment facility. The "facility" comprises the physical infrastructure, meaning "any equipment, structure, or other property, including sewerage systems and treatment works, used to provide wastewater services."

For the purposes of this document, the following guiding principles and assumptions have been adopted:

• Wastewater facilities used to provide wastewater services owned and operated by any of the following are excluded from reporting requirements for local governments and special districts:

o Private entities or citizens

o Federal government

o State government, including the Florida Department of Transportation (FDOT)

o Water Management Districts

o School districts

o State universities or Florida colleges

• Local government expenditures associated with routine operation and maintenance are fully funded prior to commencing new projects and initiatives.

• Local government submissions will include the activities of dependent special districts. Only independent special districts report separately. For a list of all special districts in the state and their type (*i.e.,* dependent or independent), please see the Department of Economic Opportunity's Official List of Special Districts at the following link: www.FloridaJobs.org/OfficialList.

• With respect to federal and state statutes and rulemaking, current law and current administration prevails throughout the 20-year period. In other words, it should be assumed that the state's present legal framework (*i.e.*, the status quo) continues throughout the period.

• The term "utility" is generally used for ease of reference in the following document and is not limited by the distinctions applicable to specific statutory references, the jurisdiction of the Public Service Commission, or legal status as a governmental entity, nonprofit corporation, or private contractor. Instead, the term "utility" refers broadly to the provision of wastewater services.

# GENERAL INSTRUCTIONS FOR USING THE TEMPLATE

Instructions for submitting the template are still under development. Additional information regarding submission and answers to frequently asked questions will be posted on EDR's website, along with other useful materials, here: <a href="http://edr.state.fl.us/Content/natural-resources/stormwaterwastewater.cfm">http://edr.state.fl.us/Content/natural-resources/stormwaterwastewater.cfm</a>

This template is broadly organized in accordance with s. 403.9301, Florida Statutes. This template asks that you group your recent and projected expenditures in prescribed categories. A detailed list of the categories is provided in part 5.

When reporting cost information, please only include the expenditures that have flowed, are flowing, or will flow through your jurisdiction's budget. Further, the same project should not appear on multiple tables in the jurisdiction's response unless the project's expenditures are allocated between those tables. **All expenditures should be reported in \$1,000s** (e.g., five hundred thousand dollars should be reported as \$500).

For any jurisdiction that is contracting with another jurisdiction where both could be reporting the same expenditure, please contact EDR for additional guidance. In situations where a reporting jurisdiction contracts with a non-reporting jurisdiction, (*i.e.*, FDOT, the water management districts, the state or federal government), the reporting jurisdiction should include the expenditures.

These projections are necessarily speculative and do not represent a firm commitment to future budget actions by the jurisdiction.

This Excel workbook contains four worksheets for data entry. (Along the bottom of the screen, the four tabs are highlighted green.) Empty cells with visible borders are unlocked for data entry. In the first tab, titled "Background through Part 3," the information requested is generally either text, a dropdown list (*e.g.*, Yes or No), or a checkbox, as well as inventory and customer tables. The next tabs contain tables for expenditure or revenue data as well as some follow-up questions that may have checkboxes, lists, or space for text.

In Part 5, the expenditure tables have space for up to 10 projects per category. More projects can be listed in the "Additional Projects" tab. This tab contains a table with space for up to 200 additional projects. In order for these additional projects and expenditures to be correctly classified and included in the final totals, each project must be assigned a Funding Source Type, Category, and Subcategory the from the dropdown lists in columns B through D.

32	. []	In the	tables that follow, please list each	expansion project under only o	ne categor	y. Choose the category	which is the greatest drive	er for the pr	oject.				
34	-	The six	x categories are:										
-		1.											
			Effluent Management: This include	s capital projects intended for	effluent m	nanagement to meet reg	ulatory and statutory mai	ndates such	as compli	ance with	SB 64 (s.	403.064(17). F.S	S.). For this categor
			subcategory options refer to recent						•		•		, .
35			water discharge elimination), s. 40					0 0				, , ,	
	1	2.	<b>0</b> <i>µ</i>		0								
			Water Quality Projects: This include	es projects to meet regulatory	reauireme	nts to improve water qu	ality such as advanced wa	astewater tr	eatment.	surface wa	ater disch	arge. biosolids.	etc. If a project add
			governmental purposes (beyond the		•		•					•	
			impaired waters or waters with to	•			•						
36			needs. Subcategories for Water Qu			· ·				,	Ū	, ,	
	1		o If you are party to an adopted	BMAP, please include the cap	ital project	ts associated with waste	water in this table. Includ	de BMAP pro	oject numl	oer, cost to	your juri	sdiction, and year	ar(s) that capital in
37			costs are to be incurred. For refe	rence, DEP publishes a comple	te list of a	dopted BMAP projects a	s an appendix in their Anr	nual STAR R	eport.				
	1	3.											
			Reuse Development Projects: This i	ncludes projects to improve or	expand re	use as an alternative wa	ter supply, such as potab	le reuse pro	jects, expa	insion of e	xisting re	use systems, aq	uifer recharge, etc.
			addresses multiple governmental p	ourposes, the projected expend	itures shou	uld reflect only those cos	ts associated with waste	water comp	onents. In	clude O&N	A costs fo	r these projects	and investment in
38			in part 4.1). Subcategories for Reus	e Development include: altern	ative wate	r supply, potable reuse,	construction of new reuse	e systems, e	xpansion of	of existing	reuse sys	tems, and aquif	er recharge, and ot
		4.	Resiliency Initiatives Related To Cli	mate Change: This category in	cludes initi	iatives or projects under	aken to avoid or minimiz	e adverse ef	ffects of cl	imate cha	nge. Inclu	de O&M costs f	or these future resi
			and investments in this table (not i	n part 4.1). If your jurisdiction	participate	es in a Local Mitigation S	trategy, include expenditu	ures associa	ted with y	our waste	water ma	nagement syste	em in this category.
			for Resiliency Initiatives refer to the	e primary inspiration (i.e., wha	t the proje	ect is undertaken to avoid	or minimize the effects	of): sea-leve	el rise, inci	reased floo	od events,	drought, increa	sed inflow / infiltra
39			storm impact / mitigation, and oth	er.								-	
	1	5.	End of Useful Life Replacement Pro	pjects: Rather than reporting th	e exact nu	imber of useful years rei	naining for individual con	nponents, th	nis section	is constru	cted to fo	cus on infrastru	cture components t
			targeted for replacement and will I	be major expenses within the 2	20-year tim	ne horizon. Major replac	ments may include pipe	networks, ti	reatment u	units, pum	p stations	, physical/biolo	gical filter media, t
			etc. In order to distinguish betweer				<i>,</i> , , , , , , , , , , , , , , , , , ,				•		
1			than 5% of the jurisdiction's total C	-	-								
40			system (pipes), lift station or comp	onent, treatment facility, and	other.
